The Venue Elysium Hotel

For sumptuous elegance and luxury look no further than the Elysium hotel for your special day. One of the grandest five star hotels in Paphos and undoubtedly one of the best in the island let alone the Mediterranean, this breath taking hotel has a unique character. A blend of stone, marble and timber, warm muted colours and decorative features such as mosaics, arches and columns creates that wow factor. Wedding ceremonies at this five star hotel can be either civil or religious. Civil weddings are performed in the afternoon at the hotel Amphitheatre that is completely private and enjoys beautiful views. Religious ceremonies are performed at the hotel's own quaint chapel. Elysium hotel policy stipulates that couples wishing to get married at the hotel must also hold their wedding reception at the hotel and there are many options to choose from including indoor and outdoor venues. Our Elysium hotel package below offer all this and yet is still very flexible to change. Please feel free to dream a little...
