## The Venue Liopetro

Liopetro is a unique venue unlike any other in the Paphos area and will enable your wedding couples to experience a small slice of Cypriot history and culture in a typical Cypriot Village, allowing them to hold their wedding in an exclusive and totally private outdoor location with fabulous sea views. Wedding ceremonies will be held on a large round stone terrace under a decorated gazebo which overlooks the sea, drinks and canapés can be served on the terrace after the ceremony. In addition to the large terrace there are two smaller outdoor areas for outdoor dining, one of natural stone and the other of grass. The whole garden area is tastefully planted with olive trees and shrubs and has fabulous mood lighting designed by a well known lighting design company. There is also a large reception hall constructed from beautiful old stone and wood in traditional style which can seat up to 80 people for dinner for those that prefer to eat inside.
